

Unit 4.1: War

Worksheet A

Purpose, message and technique in Activity 1.10

In groups, analyse your piece of Banksy street art from his 2007 trip to the Middle East using the ‘purpose, message, technique’ method.

Complete an entry for your own piece of street art. Then complete the chart when your classmates present theirs. An example has been done for you.

‘Girl Frisking Soldier’	Banksy aims to make Israelis more conscious of their abuse of military dominance over Palestinians.	In Text 4.7, Banksy claims that Israeli soldiers’ unwarranted frisking of Palestinians is a violation of their rights.	He achieves this by depicting an innocent girl frisking an Israeli soldier, a strange reversal of power roles.
