

Worksheet 9: Measuring global interactions

Globalisation trends

- 1 Working in pairs, study Figure 9.1.

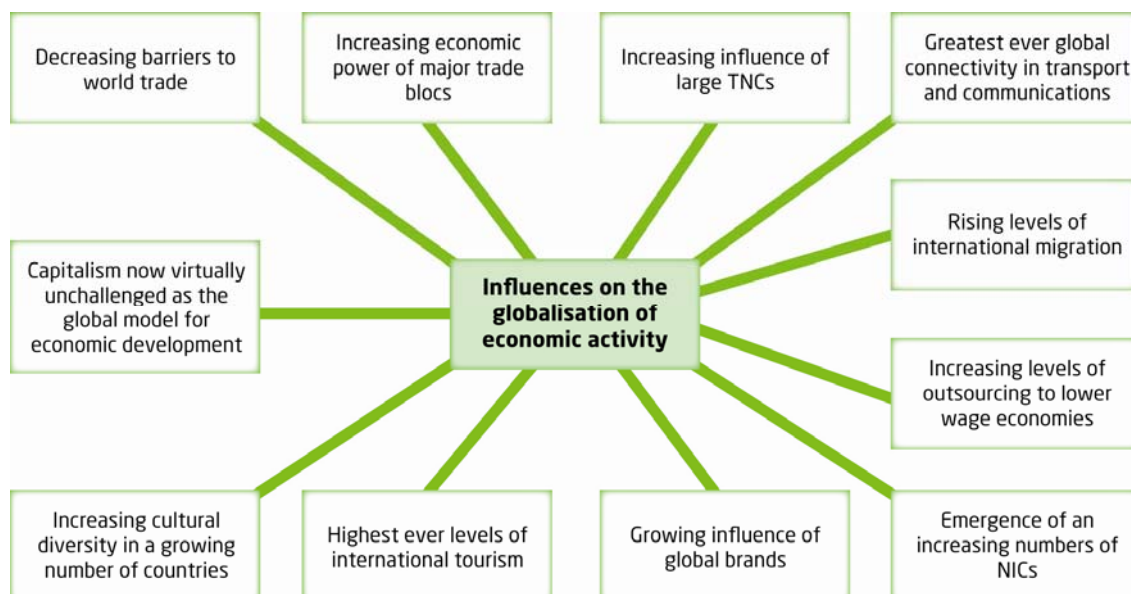

Figure 9.1 Globalisation trends diagram.

- a Place each globalisation trend listed in Figure 9.1 into *either* the positive trends column *or* the negative trends column in Figure 9.2.

Positive trends	Negative trends

Figure 9.2 Positive trends and negative trends of globalisation.

- b** Compare your results with other pairs.
- c** List all the positive trends that everyone agrees on.

- d** List all the negative trends that everyone agrees on.

- e** For which trends is there disagreement? Why?

- 2 a** As a whole class, try to identify two other globalisation trends that are not listed in Figure 9.1.

- b** Justify the inclusion of each trend you have identified.

- 3** What evidence of economic globalisation is there in your local area?
