

Dear _____,

I miss you so much, how is it going?

I have got a good news to tell you is that I won^{**} two tickets at school and there are three various kinds of activity for me to choose. The first one is Horse riding, the second one is scuba adventures and the third one is sports central.

I chose the Horse riding because I hardly ever ride a horse, I really want to learn how to keep balance and stable on a horse. Besides, I love the gorgeous landscape, fascinating blue sky and wonderful atmosphere at the riding centre. Also, I will ask Tim to come with me, he is my best friend and he will ~~*~~ definitely involved to this amazing experience.
