

#### Process

1. Begin with several ideas of what i am doing. (a voice argument)
2. Set a task and choose music i want to sing along to.
3. Transfer the music into the computer and sing over it, sing along with it as well.

#### Voice Argument

1. Use another student to do a vocal not lyrical argument.
2. During this argument our voices will meet one another whilst the music plays.
3. Telling a story whilst using our vocals and not saying any words.

These materials are produced to exemplify making standards and are for in-school use only.
